EASTER

Easter Weekend attracts a lot of visitors to the Bay due to all the activities and entertainment that occurs. Not only for our visitors but for our local clientele, we are publishing a feature in the Hawke's Bay Today called **OPEN OVER EASTER**.

With information on businesses and their opening hours over the long weekend.

For an investment of \$60 + gst we offer you a 5x2 advertisement with free colour.

Publishing Wednesday, April 8, 2009.

Deadline for booking a space is Wednesday, April 1.

This is a clear & easy way for our regular readers and visitors to town, to see the days which businesses are open, making shopping easier for customers and relieving stress and lost sales from shoppers who arrive at closed stores.

More importantly, if it is an emergency people need to know where to turn.

Please phone 873 0800 or email: outbound@hbtoday.co.nz to book your space now.
